## 2. Aims and Values

Trinity Academy is a welcoming Academy where everyone is valued highly and where tolerance, honesty, co-operation and mutual respect for others are fostered. We are committed to the development of the whole person within a supportive, secure and creative environment. A broad, balanced and appropriate curriculum provides equal opportunity for all pupils to maximise their potential regardless of age, sex, race, colour, religion or disability. We endeavour to promote positive relationships with parents, governors and members of the wider community.

At Trinity Academy we aim to promote equality and tackle any form of discrimination and actively promote harmonious relations in all areas of Academy life. We seek to remove any barriers to access, participation, progression, attainment and achievement. We take seriously our contribution towards community cohesion.

We aim to:

- provide a secure environment in which all our children can flourish and achieve all five outcomes of 'Every Child Matters' (be healthy, stay safe, enjoy and achieve, make a positive contribution, and enjoy economic well-being)
- provide a learning environment where all individuals see themselves reflected, where their voice is heard and feel a sense of belonging;

- prepare students for life in a diverse society in which children are able to see their place in the local, regional, national and international community;
- include and value the contribution of all families to our understanding of equality and diversity;
- provide positive non-stereotyping information about different groups of people regardless of gender, ethnicity, disability, sexual orientation, religion and age;
- plan systematically to improve our understanding and promotion of diversity;
- actively challenge discrimination and disadvantage;
- make inclusion a thread which runs through all our activities.

To achieve these aims we will:

- involve stakeholders in the development, review, evaluation, and impact assessment of all relevant improvement plans, policies and procedures;
- publish and share our policies and impact assessments with the whole community;
- collect and analyse data to ensure all groups are progressing well and no group is subject to disadvantage;
- use all available information to set suitable learning challenges for all, respond to pupils' diverse needs and overcome any potential barriers to learning;
- ensure that the wider school curriculum makes explicit and implicit provision to promote and celebrate diversity;
- have high expectations of behaviour which demonstrates respect to others.
- Foster an open door ethos – welcoming students and parents past and present, stakeholders, local and wider community.

### 4. Policy Planning and Review

Whilst we have a duty to develop and publish equality schemes in relation to both gender and disability, we at Trinity Academy are considering all aspects of diversity and equality in this comprehensive policy to be followed by a specific equality and diversity action plan in relation to access, gender and race equality covering a three-year period.

#### Policy planning and development

- In the planning and development stage of policy-making, we will ensure we have consulted and taken into account stakeholder views.
- All improvement plans will be designed with an element of impact assessment built in to monitor the success of each activity.
- There will be a systematic review of the impact of all policies and procedures on equality and diversity to address any areas of inequality.
- Achievement and attainment will be analysed to ensure progress for all, especially in relation to any identified disadvantaged groups; attendance and exclusion data will be reviewed to ensure no over-representation of any one group.)
- Our target-setting processes ensure appropriate, challenging targets are set in relation to identifiable groups as well as individual pupils / cohorts.

## Monitoring and Quality Assurance

- Each pupil's progress is monitored and tracked. The resulting data is analysed in respect of gender, race, ability or additional needs, looked-after status.
- In addition to monitoring to rule out any potential disadvantage, quality assurance procedures ensure the Academy meets its duty to positively promote diversity. (E.g. lesson observations record evidence of differentiation and texts are reviewed to ensure appropriateness and inclusivity.)
- The data collected is used to inform further Academy planning, target-setting and decision-making.
