ATHLETICS SUCCESS

Trinity Academy Newcastle took part in the annual Wanderers competition showcasing their sporting talents. Learners took part in a variety of events bringing home an impressive 8 medals. Congratulations to all who took part in showing outstanding sportsmanship.

New Beginnings

We say goodbye to our wonderful Yr11 cohort and wish them the best of luck on their new adventures. You have been a pleasure to teach and your individuality and charisma will never be forgotten. As Yr11 proceed on with their chosen paths we welcome our new learners who will join the Upper school full time in September. These learners have been enjoying their transition with a variety of taster sessions across the curriculum.

ATTENDANCE

Over 72% of all Trinity learners continue to show improvement in their attendance. We need your support to ensure that your child attends school every day.

Attendance
Matters

LEARN. REMEMBER. ACHIEVE.

Summer Newsletter 19

What's been going on?

MAY DAY-MAY DAY

The Lower school pushed back their annual May Day event due to bad weather but were greeted by a glorious summers day. Learners had the opportunity to socialise and show kindness to all. Ice cream, yard games, dance workshop and competitions were enjoyed by both staff and learners.

Promoting Awareness

The Upper school throughout the year have participated in a series of drop down days exploring various themes. This term white group made ASD in all its forms the focus of their day and celebrated the successes of those who have received a diagnosis. The group focused on relationships and created a magnificent display to help others understand ASD and how people with ASD manage their everyday lives. Well done White Group.

An Eruption of Fun!

Down at the Lower School Group 3 have been studying the world we live in. They looked at Continents and geographical locations of countries before moving onto physical geography. They started off by looking at a range of natural disasters such as earthquakes, drought and volcanoes. They then looked at the science behind how volcanoes erupt before having a go at making their own!

SPRING TERM:

6th JANUARY 2020- 14th FEBRUARY 2020
24th FEBRUARY- 3rd APRIL 2020

SUMMER TERM:

20th APRIL 2020- 22nd MAY 2020
1st JUNE 2020- 17th JULY 2020

It's Breakfast Time!

Breakfast club is still going strong with learners arriving from around 8:15am. Learners have the opportunity to eat and drink a variety of things. Its very surprising how many learners prefer a hot drink in the morning. Toast, crumpets, muffins and pancakes are popular hot breakfasts. For those who would prefer a cold option we offer cereal bars. Breakfast club certainly enhances the learners start to the day making a positive impact.
